#### STATE ATTORNEY LEAH HARWOOD

I am writing this letter with the following exhibits to see if we might be able to resolve this case with out a trial.

On the morning of Saturday September 27, 2003 at approximately 2:45 a.m., I was heading south on 1-75.

I passed a Florida Highway Patrol car with it's flashes on. The patrol car was parked on the Right hand shoulder of the road where there was a white pick up truck pulled over.

The next thing I know, I am being pulled over. This Florida Highway Patrol Officer asks me if I have a Florida Driver's License. At this point in time I have a Michigan License Plate and a valid Michigan Driver's License. I ask this police officer why I have been pulled over. This officer tells me that I blew my horn at him.

This Florida Highway Patrol Officer arrests me for unpaid traffic citations and proceeds to search my vehicle with a vengeance. I was ticketed for the illegal use of the horn and driving on a suspended driver's license at this time. I speed two days in an illegal with a could be added on a 2500000 and the search with the search with

I went to see two different attorneys regarding these tickets and the arrest. I can not afford to pay thier price tag.

I go ahead and pay all past tickets off. I then enrolled in the David Lawrence Center DUI II course and completed the program on September 15, 2003.

On October 9, 2003 I paid the reinstatement fee and my driving privileges in the State of Florida were

On the following page is an itemized list of various expenses incurred in order to reinstate my license and some various charges related to the case;

Henry County Traffic Ticket	189:00
Lee County Traffic Ticker	85.50
Ace County Records	:2:00
The war the way the same and sate	A 10
Reinstatement Fee	¥55:25
David Lawrence Center	300.00 CONT. ON FOLLOWING

CONT'D	Tow Vehicle	175.00
	Typing Fee and Fax	17.00
	Typing Fee	10.00
	Parking Violation While In Court	40,00
	TOTAL	977.85

Ms. Leah Harwood, I spent two days in jail and have spent \$977.85 to straighten out my license.

I also ask you this Ms. Leah Harwood, who is going to blow their horn at any police officer at 2:45 a.m. in the morning? Either the driver is drunk high on done or he is mentally disturbed

Also, I myself know that I have unpaid tickets and that if I am pulled over I will go to jail. This scenario does not make logical sense. This was an illegal stop because of the Horn Blowing Ticket that was issued.

I ask you Ms. Harwood, to dismiss the horn-blowing ticket because it is untrue and to further dismiss the driving with license suspended due to the fact that the reason I was pulled over was illegal. That I the defendant, Michael Thomas Fox, have paid all traffic tickets, reinstatement fees, and have enrolled in and completed the DUI II course at the David Lawrence Genter. I have spent a total of 977.85 to straighten out my discussion this cityotics and I decreased.

I need to settle this case because I am trying to leave the Sate of Florida. This case is not scheduled for trial until February 10, 2004

Please, respond by mail to Michael Thomas Fox P.O. Box 111621 Naples, Florida 34108, and thank

Drivers License Clerk, Reads My Ticket. He tells me I should have

Never Recieved this ticket. This Clerk then calls over A MANAGER

To Look At This Problem. Also whit I was Explaining To

This Drivers License Clerk. A Collier County Sheriff Deputy

walked up and Stood Against the wall, To the Right of this

clerk Listening to what was said. And Looking At me, Real

Tough and mean like.

Now, That the MANAGER Come of the Roms the computer And Checks it. Then He tells me that My License is UALID.

I Then SAY look At This other ticket I Got. I tell them.

I turned on to Horseshoe Drive And stopped, Because I thought I was on the wrong street, and I Got Rear Ended By This MAN. And The Collier County Sheerff Deputy gave me A ticket for A Illegal Stop. They Both read the ticket.

The Drivers License Clerk SAYS what is this. It is Always The Person in the Rear who is At fault. The MANAGER Tells me to get An Atlaney. I give the Clerk my Completion Cere tificate of the DUI School. And the Clerk Enters It.

On The Computer. I ask To How Another Print out that my

That my License 15 VALID.

Now Because this MANN who Hit me, Hod A Sorgent in the Collier County Sheriff Dept, who 15 his Friend. Totally have this Situation Turned Accord. That this Snagent Had Somehow Talked to, or had someone Else In The Collier County Sheriff Department. Give Advanced informations of this TRAffix Accident. And when Both Sheriff Deputies Arrived. How I was negitially Treated. And Its Like I Am The Vilian. They Did not Treat, the MAN

who Hit me, Like They Did me. And The women Sheriff Dupoty
Checking my Turn Signals and Broker To See If some how She can
Find ME At Fourt. And How Disappointed And Angry She got
when they worked.

That I Am Priving on A valid Orivers License, And that the

Florida Orivers License Computer Has It Also That my Orivers

License is clear. That Both The Orivers License Burend Clerk and the

MANAGER Both Told Mr That The Shoulf Weartment uses the Same

Computer That we use, And has the Same Information That we have.

That my License is valid in Michigan. And that my Driving Privalege's to

Dirive in Florida were Reinstated on Oct. 9, 2003.

And How is it that I MAKE A TUN on to A side street at NO

More than 5 to 8 mph, and I MAKE A STOP, Because I AM

Confussed And Think I have Turned onto the wrong road. I AM

Rear Ended. How Is It, That the MAN in his Large SUV uchical Did

Not have time to stop at A speed of 5 to 8 mph as the Also

MADE the Turn. Its Because this MAN WAS ON the Phane And not

Paying Attention to the Road. And Because This MAN Has A Sheriff

Duputy As A triend. I Get the ticket for Illegal Stop.

It is Also my Belief, that Because of the Government investigation

That I Am under. That Because of Illegal wire TAPS on the

Phone. That I MADE A Phone Call From My mothers Home TO

The DAVID Lawrence Center on Nov 18 2003. And Told the DAVID

Lawrence Center, I would be Down Tommorrow Morning To Get MY

Completion Ceretificate. The Government New That I was coming.

And I Truly Believe, This MAN tollowing me, who hit me. WAS

Following me. This Again. Is total Police Misconduct. I Am

Again Victimized And FURTHER TERRORIZED BY The

Policing Government Agencys That have me under investagation.

When I went to Have My License Reinstated on Oct 8, 2003

I still needed A Enrollment form from the David Lowerne Center.

I Left to get it, And I Am Pulled over By the County Sheriff Duputy

I Tell the Sheriff Duputies That I have every ticket fail and that

I needed An enrollment form And I Am going sight now TO Get it,

And my License will Be Reinstated Later Today. I watch the Deputy

In Charge Lister To His Radio. Thin Then Arrested, And Have to Post

A soo SO Cash Board.

A soo so Cash Board.

I would think that if you have knowledge that someone

13 Getting there License Reinstated, And 13 Going Right now to the

David Lawrence Center To Get the Missing Document. You would cut

them A little Strick. The Sheriff Duputy Could Have wrote me A

Ticket For Oriong on A suspened License, And Let me walk to

the David Lawrence Center. Like I told the Sheriff Deputies I

would. But Affer The Deputy Listens to his Radio. I Am

Arrestal And Highly Provaked when I Arrive At the Inil.

Was This Because The Sheriff Department Has A Code.

If my name comes up on those Computer. This case that

DEFENDANT IN PRO PER MICHAEL THOMAS FOX P.O. BOX 111621 NAPLES, FLORIDA 34108

### STATE ATTORNEY ANDREW ELLIOTT

I am writing this letter with the following explanation and exhibits, to see if we can

Dismiss these traffic citations for the following reasons. That I, Michael Thomas Fox have a valid Michigan drivers license.

On October 8, 2003 I went to the Collier County Florida Department of Highway Safety Division at 725 Airport Pulling Road South in Naples, Florida.

At this time I had every traffic ticket, late fee charges, and some of the reinstatement fees paid. Copies of ticket receipts showing paid are attached hereto as exhibits.

As I talked to the man who was going to document these paid items on the computer, he asked me where my enrollment for the DUI course was. I told him I did not have the enrollment. This man then tells me I need to go to the David Lawrence Center two lights North, and make a Left onto Horseshoe Drive. I tell this man I will be right back. I am going right now, and can I come back to see him instead of waiting an hour and a half in line. He says yes, that I may come back to see him. I turn and walk away. This man tells me as I walk away, "Good Luck to you Mr. Fox!"

L drove out of the parking lot and don't go 100 ft. North on Airport Pulling Road, and a Collier County Sherriff Deputy pulls me over.

Then two other squad cars pull up. I am being harassed and intimidated. I try to plea with the officer in charge, telling him what the situation is and that I am in the process of going to the David Lawrence Center right now to enroll in the DUI course. I was going back to the Drivers License Bureau to then have my license reinstated. I tell him I will walk to get it done, and assure him I will not drive untill my license is reinstated today. I am then further provoked and intimidated, then arrested for driving with a suspended license.

I have to sit in jail for ten hours untill I can get someone to post bond of five hundread dollars for my release.

I try to get my car out of lock up but, can not because it is too late. It cost me 195.04 for a tow fee of 4/10 of a mile.

The following morning, of October 9, 2003, I went to the David Lawrence Center and enroll for

the DUI II course. Then I go to the Drivers License Bureau again on Airport Pulling Road and pay the reinstatement fee. My license is then reinstated as of October 9, 2003.

Below is an itemized list of various charges incurred in the process of reinstating my license and some other charges;

Hendry County Traffic Ticket	189.00
Lee County Traffic Ticket	85.50
Lee County Records	2.00
Lee County Records	4.10
Reinstatement Fee	155.25
David Lawrence Center	300.00
Towing Bill	195.04
Typing Fee	20.00

TOTAL 950.89

Then on Tuesday November 18, 2003 I call the David Lawrence Center to inquire about receiving my completion certificate. Fam advised I need to come to the center and fill out additional paperwork and then I will receive my Notice of Completion. I tell them I will be there the following day.

On Wedsday November 19, 2003 I am driving down Airport Puylling Road South. I am not familiar with the area and I am driving in the middle lane. I notice I must make a Right turn onto Horshoe Drive and use my Right turn signal and begin to merge into the Right lane. I look into my rearview mirror and there is a man on the phone laughing and turning on to Horseshoe Rd. along with me. I drive no more than 8-10 miles per hour making this turn. I am confused because I believe I have turned onto the wrong street and I come to a stop looking for the street sign. I am then rear ended by the man in the vehicle behind me.

This man asks if I am alright and I tell him I am. The man then asks what I want to do. I told him we would need a police report. This man proceeded to call a Collier County Sherriff Deputy that he knows personally, and asked this officer if he could help him. He told the officer that he had hit someone in the rear and that it is his fault. The conversation continues and then the man hangs up with the officer and again, asks me, what I want to do. I told him "I thought you were calling the police." The man says that the officer he spoke with was a friend who is a Sargent in Collier County Sherriffs Department and he wants to know what I want to do. I told him I need a police report because he had hit me and damaged my vehicle. He then calls his friend, the officer, back and says that I want a report made.

Approximatly ten to fifteen minutes later two Collier County squad cars arrive. From the point of their arrival, I am treated like I am the villain. I gave them my Drivers License, Registration, and Proof of Insurance.

The man and woman Sherriffs Deputy then run my license. I am then approached and told that my license is suspended. I try to tell the Sherriffs Deputys that they are wrong and that the copy of the letter I had from the Florida Department of Highway Safety means nothing. They tell me to shut my mouth and that my attitude means everything right now or I will go to jail. Then the two Sherriffs Deputys-give-me-two-Traffic-Citations.—One-for-an-illegal-stop-and-one-for-Driving-on-a-suspendedlicense. I try to talk to them and once again they tell me to Shut Up or I will go to jail.

Again I am provoked and intimidated and have to suffer this hardship and. For what reason I don't know.

My driving privelage is not suspended as of this day November 19, 2003 that the accident occurred. The man who hit me was not paying attention due to the fact that he was on the cell phone and because he has a personal friend on the Collier County Sheriff's Department the entire incident is my fault.

The rear end of my vehicle received \$1600.00 worth of damage as a result.

I ask you, Mr Andrew Elliot, to dismiss all of these traffic citations. Two Driving While Drivers License Suspended and one for Making an Illegal Stop.

I have spent a total of 950.89 to straighten out my Drivers License. I have spent ten hours in jail, and have \$1600.00 worth of damage to my vehicle.

Atatched hereto is a copy of receipts paid and other documented proof. If you would please contact me at the above mentioned address with your decision I would appreciate it. Thank you for your consideration.

FOR The LAST 20 years and more. I HAVE BEEN UNDER investigation By Many Government Police Agencys. I had to Flee the state of Michigan for my life, in Nov. of 1995. That the Police & Government Agencys have Turned everybody Against Me. I Have Been Poisoned, with some kind of BACTERIAL ROISION. That the Coctors I went AN seen could NOT MAKE ME Phiscally Better, NOR DO I Believe they Tried. And After I Left my Home in Michigan, How I got Physically Better with in days. Now, I Am going to go Back to the year 1985. IN This year. I started Buying Rental Property in Pontine Michigan . I got up to 19 Rental units, all within the City of Pontiac MichigAN I Rented out these Apartments and Houses. From 1985 until 1992 When I sold my Inst House and Ouplex. During 1985 To 1992 I Have Been Accused of Running CRACK Houses. And Two of my Duplexes Had Burned And That I was Accused of Burning these House's, I was never Charged But I was Always Accussed.

I was Always going to Court to evict people, FOR

None Payment of Rent, FOR Selling Drugs, And FOR Destroying

the Apartments. As time went ON, FOR Everything I have

Been Accused off. ALL 4 Judges had Eventully Turned Against

Me

Page I N

I had David Hull An Attorney At the OAKland Livingston Legal And office in Portine Michigan, Representing

some of these Tenents I took to court. I would always Be Counter Surd, FOR up to 10,000 Osllars in Damadges. And Sometimes The case would DRAS out 60 To 90 DAYS AND I would loose that Rent money. And I could not collect, Because the tenent was on welfare. I was Being BANK rupted. I know I had to sell these Propertys, Breause the Policing Government Agencys were Attacking me, And Killing me. I sold 12 of my Rental units To A PARTMERShip. And I HAD Appear 110,000 in Copital Gains ON PAPER (LAND Contenet) This Partner ship Broke up, And was Quided Amoung the Three Partners. Then The three Paptners, sold there Buildings TO A Single MAN (Levi Johnson) I would Always Have to Drive over An Get the Payment on These 12 Rental units. This man would want to take me out to the BAR After, OR I would have to met him At the BAR to get my Check. I knew I was Being SET UP. So I would not Drink or I DRANK VERY Little. This MAN Levi Johnson, would try to get me To talk About My Houses that have Burned in A fire. And About Cocaine And CRACK Houses. I was Told that this MAN Levi Johnson was undercover. I called this Levi Johnson to get my monthly check. He told me to Drive out to his house And that he would lay me. And we can Go Coun To MR B'S, A BAR in Countour Rachester Michigan I Drive out to Rocheston Michigan Get my check from Levi Johnson And Then Levi Johnson Drives Both myself and Himself to the BAR in his Red CAMARO. I Now Am going to Play Police. I START Buxing Pitchers of Beer And Shots of Alchol. After

And that They Are Buxing Rental Houses in Pontiac To Do So. This Levi Johnson Also works the Afternoon Shift at the Orion, General Motors CAR Plant.

I have Told Levi Johnson in the Past, And I Again tell
him that I want him to mail My check. But After
This Meeting I still Always have to call And Drive to A BAR

To get my check . I Don't have The Exact Date, But I Again have To call Levi Johnson For my monthly check on these 12 Rental units. Levi Johnson Tells me To meet him at the BAR colled Players.
